INVESTMENT OBJECTIVE

The investment objective of the Asia Pacific Small Company Portfolio is to achieve long-term capital appreciation. The Portfolio is a Feeder Portfolio and pursues its objective by investing substantially all of its assets in its corresponding Master Fund, The Asia Pacific Small Company Series, which has the same investment objective and policies as the Asia Pacific Small Company Portfolio.

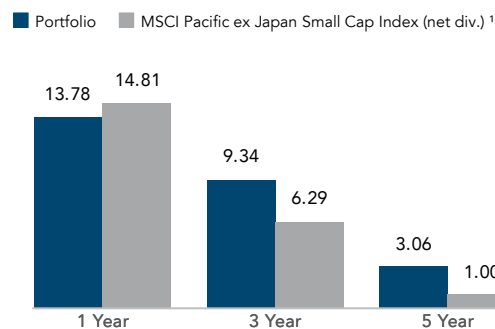

PRINCIPAL RISKS

Risks include loss of principal and fluctuating value. Small cap securities are subject to greater volatility than those in other asset categories. International investing involves special risks such as currency fluctuation and political instability. Investing in emerging markets may accentuate these risks. Sector-specific investments can also increase investment risks. For more detail regarding the risks affecting this Portfolio, please see the Principal Risks section of the prospectus.
